Ministerial & Electorate Office refurbishment/fit-out expenses.....

Each Member of Parliament is entitled to an office when elected. Generally, works would occur to electoral offices in the event of a relocation to a new premises and the tenancy having to be made fit-for-purpose. Expenditure may also occur where offices have been co-located into a single tenancy and minor works may be required to make the space fit-for-purpose, or to provide increased security measures.

Each new refurbishment/fit-out undergoes a needs-based assessment by the Property Manager (usually, the Manager Properties and Procurement in the Department of Premier and Cabinet) and considers the following: energy footprint, cost, savings and business needs.
