Dear Premier

AFL / Hawthorn Football Club Five Year Contract

It has been a great outcome that a new agreement with Hawthorn Football Club for four games and a preseason game with the AFL at Aurora Stadium has been secured. Council has asked me to pass on our congratulations to you and to your Government for the efforts in securing this arrangement.

The economic and cultural importance of these games to the City of Launceston and the greater region cannot be overstated.

The security this new arrangement brings will enable businesses within the City to plan for their continuity and expansion over the life of the agreement.

The Launceston City Council looks forward to working with you and your government on further endeavours for the benefit of the City and region into the future.

Yours sincerely
