Dear Mr Hodgman

### **Right to Information Act 2009 Review – The Hon. Bryan Green MP**

On 7 December 2016 I wrote to you requesting any further submission to my draft decision relating to Mr Green's application for assessed disclosure. This application was in relation to the behaviour of the Hon. Rene Hidding MP. Submissions were due to my office by 13 January 2017. I have not received any further submission from you or Mr Green.

I am first satisfied that the delegate, Mr Scott Marston, was properly appointed by you as responsible Minister.

It is my view that I do not have jurisdiction in this matter, for the reasons as stated in my recent published decision, *the Hon Cassy O'Connor MHA and the Hon Matthew Groom MHA, Minister for Environment, Parks and Heritage*, dated 27 April 2016.

I refer to the following paragraphs, under *Analysis*:

The two sections of the Act that confer on me jurisdiction to conduct an external review are ss44 and 45.

In order to have jurisdiction to conduct an external review pursuant to s44 it is a prerequisite that an application under s43 has first been made.

Section 43 clearly states that where a delegate of a public authority has made a decision, an applicant has the right to make an application for internal review. The intention of the section appears to be to provide an opportunity for the principal officer of a public authority to review his or her delegate's decisions prior to the Ombudsman becoming involved.

The question in this case is whether s43 can be interpreted to include Ministers. In my view, it cannot. Throughout the rest of the Act where a section is intended to include both public authorities and Ministers, both are named. See for example s45 where the language used in s45(1)(a)-(f) inclusive refers to a Minister or Public Authority.

Discrete references to Ministers and Public Authorities throughout the Act indicates that they are to be treated separately. Section 43 provides for the internal review of a decision made by a delegated officer of a public authority only, not that of a Minister.

Section 44 provides for the external review of decisions to which ss43(1), (2) or (3) apply and so is confined to decisions made by delegated officers of public authorities. Section 45 specifically provides for the external review of a Minister's decision, but again not one made by his or her delegate. Section 45(1)(a) provides for external review where a decision has been made:

...by a Minister or principal officer of a public authority and as a consequence the applicant cannot make an application under s43 [for internal review].

There is nothing new before me in this matter which would lead me to a different conclusion in this case.

I find that the decision of the properly authorised delegate of the Premier as the responsible Minister, made on 27 October 2016, is not a reviewable decision under the Act.

I provide you with this decision pursuant to s48(3) of the Act.

Yours sincerely

A handwritten signature in black ink, appearing to be 'Richard Connock', written in a cursive style.

**Subject:** Request for information held by the Premier - RTI request from [redacted] re Multicultural Grants

Hi Vince

The Premier's Office received the attached request for information from the [redacted] MP regarding the Multicultural Grants Program.

The request is in two parts:

1. All grant applications for the 2017 Multicultural Grants Program, and
2. All correspondence between the Premier's office, Ministerial offices and the office of Parliamentary Secretary, Sarah Courtney relating to the 2017 Multicultural Grants Program

I have advised [redacted] Office that in regard to the first part of her request *seeking all grant applications for the 2017 Multicultural Grants*, that this information is held within the Department of Premier & Cabinet (DPAC) as the Multicultural Grants Program is administered through the Communities, Sport and Recreation Division.

Information in relation to the second part of [redacted] request would be held in the Premier's Office.

Therefore I have contacted [redacted] office and proposed that this RTI application be applied to both the Premier of Tasmania and DPAC. And as a Delegated RTI Officer for both the Premier and the Secretary of DPAC I will be able to coordinate this request through the one application.

[redacted] has agreed to this approach.

Would you please undertake a search of Premier's office records and provide any information help in relation to part 2 of this request by the end of this week (7/4).

Happy to discuss if any questions etc.

Kind regards,
