It gives me great pleasure to present the 2019-2020 edition of the Tasmanian Seniors Card Directory.

As a Government, we are very committed to supporting our older Tasmanians, which is why last year we released Strong, Liveable Communities: Tasmania’s Active Ageing Plan 2017-2022, which aims to support individuals to make informed choices about their health and wellbeing, education, participation and security.

Likewise, this Directory aims to encourage older Tasmanians who are retired or semi-retired to continue to remain active, have new experiences and to engage with their local community by accessing hundreds of discounts and offers from participating businesses. This includes our new discount on offer, which is our free entry for Seniors Card holders to Tasmania’s world-renowned national parks until June 2019.

2019 will also mark the 25th anniversary of the Seniors Card program in Tasmania and I would like to take this opportunity to thank all the businesses that have voluntarily joined the Program to support Tasmanian Seniors Card holders – this Program would not be possible without you.

The Tasmanian Government is proud to be in partnership with so many businesses that have either re-registered or joined the Program for the first time. These partnerships embrace our over-60 population and foster opportunities for being active at any age. To maximise your spending power please use your card as often as you can and keep a copy of the Directory handy so you can find your local Business Partner. You can also check for updates online at www.seniors.tas.gov.au or on the Seniors Card Program Facebook page.

I hope you enjoy all of the fantastic offers in the 2019-2020 Seniors Card Directory, and please remember to keep an eye out for businesses displaying the “Seniors Card welcome here” logo when you are out and about.

Warmest regards

Jacquie Petrusma MP
Using your Seniors Card will stretch your money further and support our Business Partners.

Please remember to thank our businesses for their generosity and support of the Seniors Card Program.

Participating Businesses

Please extend every courtesy to participating businesses to support the ongoing growth and success of the Seniors Card Program. The businesses in this directory have joined the Program voluntarily to support older Tasmanians and are not reimbursed by the Tasmanian Government.

If you know of a business that offers discounts to older Tasmanians, encourage them to join the program by completing an online registration at www.seniors.tas.gov.au. New businesses are able to have their listings displayed immediately on our website as well as our Facebook page.

About the Tasmanian Seniors Card Program

The Seniors Card was introduced into Tasmania in 1994 by self-funded retirees. The aim was to encourage older Tasmanians to maintain or increase their involvement within their local community once they retired or semi-retired from paid employment. Today the Program is coordinated by the Tasmanian Government in partnership with the public and private sectors.

The Seniors Card encourages older Tasmanians to maintain an active lifestyle by giving them access to public transport concessions Australia-wide and offering hundreds of discounts from businesses across the state. Each year, the Program continues to grow, with over 109,000 members and more than 600 businesses offering discounts in 2019.

The Tasmanian Seniors Card is also recognised interstate and overseas particularly in New Zealand, USA, Hong Kong, Singapore, Canada and the UK. When you’re travelling internationally, feel free to ask local providers if they will accept the Tasmanian Seniors Card.

Who is eligible?

You are eligible for a Seniors Card if you meet the following three criteria:

1. You are aged 60 years or over;
2. You are a resident of Tasmania; and
3. You are not working more than 20 hours per week in paid employment (average working hours over a 12 month period).
How to apply
If you meet all three of the eligibility criteria you can apply for a Tasmanian Seniors Card at any Service Tasmania service centre.

Just complete the form, which is available on our website at [www.seniors.tas.gov.au](http://www.seniors.tas.gov.au) and at all Service Tasmania service centres. Take your form and three pieces of identification – one that shows your date of birth and one that shows your Tasmanian address – to any of the service centres across the state.

Your application will be processed while you wait and your receipt will act as a temporary Seniors Card for use immediately in Tasmania.

You will receive your permanent Seniors Card within 28 days. Your Seniors Card can be used Australia-wide.

Changing Address – Remember to update your details
You can easily update your contact details for Tasmanian Government services by using the Service Tasmania Client Update Service (CUS) online form available from: [clientupdate.service.tas.gov.au](http://clientupdate.service.tas.gov.au)

By using this form you give your consent that your personal information can be forwarded to the Government services you are registered with, including the Seniors Card Program – don’t forget to update your email address as well.

If you don’t have the internet at home, please phone 1300 13 55 13 or visit your nearest Service Tasmania service centre.

Lost, Stolen or Damaged Card
Your Seniors Card does not expire and you do not need to renew or replace it unless it is damaged, lost or stolen.

To replace your Card free of charge:

- phone 1300 13 55 13
- visit any Service Tasmania service centre.

If you require a replacement card due to a name change, please visit Service Tasmania with proof of your new name.
Hints on using your Card

- The best way to get value from your Seniors Card is to use the card as often as you can, regardless of how small the purchase may be.
- Regularly review the Seniors Card Directory online for up-to-date offers and discounts.
- Look for the ‘Seniors Card welcome here’ sign (see below), which is displayed by many business partners.
- Always present your Seniors Card at the time of booking or prior to making a payment. Most businesses will not accept Seniors Cards once a transaction or service has been completed.
- When making a booking over the phone, have your Seniors Card handy to quote the number.
- If a registered business does not display the ‘Seniors Card welcome here’ sign, feel free to suggest that the Seniors Card Program will provide free-of-charge promotional signs that will encourage more seniors to shop there.
- Take your Seniors Card with you everywhere, even when travelling. All Australian states and territories have a Seniors Card Program and most participating businesses accept cards from interstate. Go to page 7 for more information.
- Even if a business is not in the directory, we suggest you ask if a discount is available for Seniors Card holders. If you discover a business offering discounts to seniors that isn’t listed in the directory, please ask them to register with the program so we can promote their offer and business to Card holders.
- The Seniors Card is for personal use only and is not transferable to other people including family members, friends or colleagues.

Seniors Card Directory updates can be found at www.seniors.tas.gov.au and our Facebook page.
Are you travelling interstate?

Before you travel interstate visit the website of the Seniors Card Office in the state or territory you are visiting to find businesses offering discounts to visiting interstate and overseas Card holders. This will help you take advantage of discounted goods and services as you travel!
