

# Ministerial Travel and Entertainment Expenses...

To carry out their duties, Ministers are often required to undertake both intrastate and interstate travel. Ministers are also expected to host events, including for visiting dignitaries, representatives, from a variety of not-for-profit and other government and non-government organisations. Each Minister is provided with an Entertainment allowances under the *Parliamentary Salaries, Superannuation and Allowances Act 2012*.

The expenditure below includes Ministers' travel and entertainment expenses for each Minister for the last six months (March 2016 to September 2016). Note, that expenditure reflects when the expenses have been reimbursed and may not line up with exact travel dates.
