

Ministerial & Electorate Office refurbishment/fit-out expenses

Each Member of Parliament is entitled to an office when elected. Generally, works occur to electoral offices when there is a relocation to a new premises and the tenancy has to be made fit-for-purpose. Expenditure may also occur where offices have been co-located into a single tenancy and minor works may be required to make the space fit-for-purpose, or to provide increased security measures.

Each new refurbishment/fit-out undergoes a needs-based assessment by the Property Manager (usually the Manager of Properties and Procurement in the Department of Premier and Cabinet), who considers energy footprint, cost, savings and business needs.
