**Subject:** Anglican proposed sale of churches and adttached cemeteries.

Thank you to the members of the Tasmanian Government for their support in questioning the proposed Anglican/Condie regress grab for Tasmanian churches and attached cemeteries. They are not his to sell. They are the property of local communities and have local history held in trust by the community for both past and future generations.

While I do raise the question regarding on going burial and fees, I totally support the proposed ammendments to the act.

Sincerely, Denis Leonard.
