Dear Mr. A. Tay, Thankyou for your letter concerning the Tasmanian Governments Cemeteries Review. My interest was about St. Peter's Anglican cemetery at St. Leonards, Launceston that I understood was to be up for sale. My parents and my great Aunt's ashes are in the columbarium wall at St. Peters and I was very worried for their safety and there didn't seem to be anyone to ask or any information available. I believe for the time being at least St. Peters in under St. John's care. I agree completely with the Governments proposed changes for the sake of the many families who have love ones perhaps dating back generations buried in these sacred grounds, people that worked so hard to develop our State not to mention the returned service men who gave so much in the defence of this country.

Thank you.

Yours Sincerely, Mary. M. Robinson
