

Dog Control Act 2000
section 33

Dangerous dog warning sign

For the purposes of section 33 of the *Dog Control Act 2000* an approved sign is one which:

- Is a square with sides of 40cm; and
- Is made of a durable metal; and
- is similar to the sign illustrated, coloured and set out below; and
- contains at least one colour that reflects light in the dark.

An approved sign is similar in form and colour to the following illustration and example.

 Red = 100% Magenta 100% Yellow

 Yellow = 100% Yellow

 Black
