

## Tasmanian Government Card

- The Tasmanian Government Card (TGC) achieves efficiencies through the rationalisation of ordering, authorisation, reconciliation and payment procedures, particularly for low value purchases.
- The major benefits arising from the use of the TGC include:
  - generating productivity gains to agencies and the Government as a whole;
  - allowing the Government's suppliers to receive speedier payment;
  - reducing the paperwork associated with the purchasing and payment process for both the Government and its suppliers; and
  - reducing the number of payments processed by agencies.
- 85 Tasmanian Government Cards are currently issued to the Department of Premier and Cabinet to meet travel and other operational expenses.
- Card expenses for the period 1 July 2012 to 31 March 2013 was \$418 886.
- 22% of our payments are made using the Tasmanian Government Card.
- The total Tasmanian Government Card spend for DPAC in 2011-12 was \$454 874.
