*The 2021-22 Community Support Levy Grants Round provided funding of \$409 788 (ex-GST) for 21 community projects.*

The Community Support Levy (CSL) is drawn from the profits of electronic gaming machines (pokies) in hotels and clubs. Part of the CSL is distributed back into the community through the CSL Grants Program which provides grassroots community organisations with opportunities to access funding for equipment or projects which will benefit vulnerable groups.

The theme of the 2021-22 CSL Grants Round was preventing and reducing gambling harms. Applications were sought for projects that addressed:

- Preventing gambling harm
- Reducing gambling harm
- Social, environmental and/or health issues associated with gambling.
