

'Amending Tasmania's climate change legislation' submission

Form Summary

First name: Michael

Last name: Roberts

Organisation
name: Circle Mindset

Email
address:

Submission: I wish to express my concern that the currently proposed Act is insufficient to address the urgency; the scope and the depth of the problems facing Tasmania as a consequence of climate change. Nor does the Act in its current form address the opportunities for decisive action and leadership that the Tasmanian government purports to hold. Significant strengthening of the Act is my request. In service of this, I request that the Tasmanian government adopt the recommendations of the Climate Tasmania and Tasmanian Independent Science Council.

Consent to
publish: Yes, I am happy for my submission to be published
