

Ministerial Car Parking

- There are currently 77 car parking spaces provided to Ministerial and Parliamentary Support staff. These spaces are predominately located throughout the Hobart CBD and regional centres.
- The annual cost of these spaces currently equates to approximately \$137 940.
- It should also be noted that 31 of the total car parking spaces allocated to Ministerial and Support Staff are located at 15 Murray Street, Hobart.
- The parking spaces at 15 Murray Street Hobart are included in the leasing arrangements for the building.
- The increase in car parking costs in 2012-13 is primarily attributable to the relocation of the Ministerial Drivers back to 15 Murray Street, and also to a sizeable increase in car parking costs at 15 Murray Street.
