An obligation or liability on the part of two or more persons binds them jointly and severally.

Nothing in this agreement:

- (a) constitutes a party to be the partner, agent or legal representative of another party for any purpose; or
- (b) creates, a partnership or joint venture between the parties.

A Right may only be waived in writing, signed by the party to be bound by the waiver. A waiver of a Right is effective only in the specific instance and for the specific purpose for which it was given.

A Right may only be waived in writing, signed by the party to be bound by the waiver. A waiver of a Right is effective only in the specific instance and for the specific purpose for which it was given.

Each Right of the Grantor provided in this agreement is exclusive and independent of each other Right of the Grantor in this agreement, and all other Rights of the Grantor at law or in equity.

- (a) constitutes a party to be the partner, agent or legal representative of another party for any purpose; or
- (b) creates, a partnership or joint venture between the parties.

The non-exercise of, or delay in exercising, any Right does not operate as a waiver of that Right. A Right may only be waived in writing, signed by the party to be bound by the waiver. A waiver of a Right is effective only in the specific instance and for the specific purpose for which it was given.

Each Right of the Grantor provided in this agreement is exclusive and independent of each other Right of the Grantor in this agreement, and all other Rights of the Grantor at law or in equity.
