I am Chairperson for The Friends of St Pauls Springfield Asssoc Inc. & will have a Committee meeting tonight. We will now have to consider on our agenda the proposed above document. After reading through I cannot find any definition of who has 'exclusive right of burial' ? Can someone please explain?

I also feel that it will be difficult to have a submission in by 14th October. The timeline is far too short for such an important document.

Regards,

Robert C Smith
Chairperson The Friends of St Pauls Springfield.
