Tasmania

In recognition of the deep history and cultural knowledges of this Island, we acknowledge and pay our respects to Tasmanian Aboriginal people; the traditional owners of Lutruwita/Tasmania and their Elders past and present.

■ Minister's message

It is my pleasure to present the 2025-26 edition of the Seniors Card Directory.

As the Minister for Community Services, I take pride in celebrating the 30th anniversary of the Seniors Card Program, which marked three decades of savings in 2024.

In 2024, management of the Seniors Card Program was transferred to Service Tasmania, expanding its products and services available to the Tasmanian community. This will strengthen the Seniors Card Programs work with Tasmanian business partners to introduce more discount offers so that 130,000 Tasmanian Seniors Card holders can live more and pay less while being more active in the community.

Over 20 percent of Tasmania's population is aged 65 and older. The Tasmanian Government acknowledges that older Tasmanians bring a wealth of experience and knowledge, and we are committed to supporting them in leading fulfilling lives. The Government prioritises the health and wellbeing of older people, recognising that the rising cost of living has posed financial challenges for many. We are focused on developing innovative and effective ways to empower people to take charge of their health and maintain their independence as they age.

The Directory offers savings exclusive to Seniors Card holders, including automotive, holiday and travel, household needs, leisure, lifestyle, recreation, shopping and professional services.

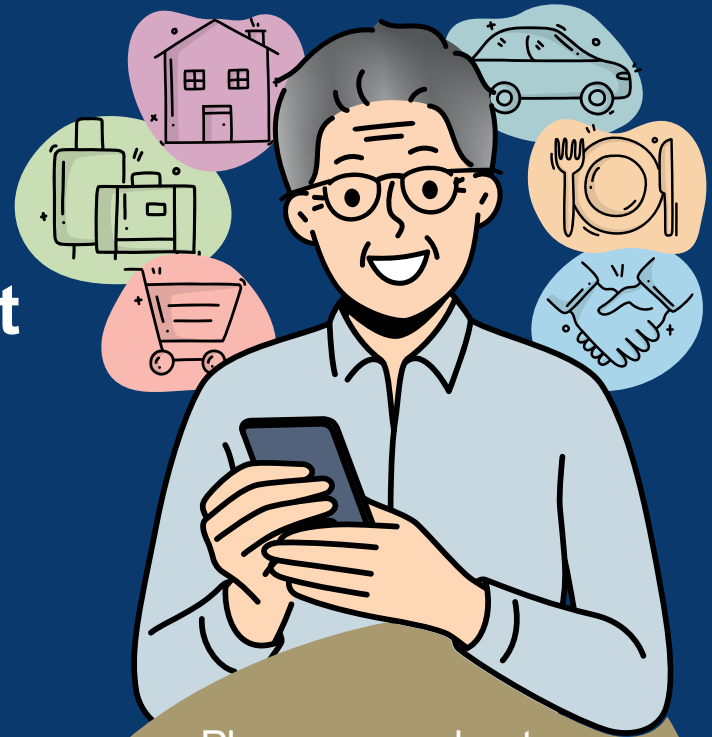

The Tasmanian Government appreciates the significant contributions made by numerous organisations and businesses in providing services to older Tasmanians and is honoured to have their continued support in the program.

■ Participating businesses

Please be courteous to participating businesses to support the ongoing growth and success of the Seniors Card Program. The businesses in this directory have joined the program voluntarily to support older Tasmanians and are not reimbursed by the Tasmanian Government.

If you know of a business that offers discounts to older Tasmanians, encourage them to join the program by creating a self-managed online account at **seniors.tas.gov.au**. New businesses are able to have their listings displayed immediately on our website as well as our Facebook page.

■ About the Tasmanian Seniors Card Program

The Seniors Card Program is coordinated by the Tasmanian Government in partnership with the public and private sectors. Each year, the program continues to grow, with over 130,000 members and more than 500 businesses offering discounts in 2025.

The Seniors Card encourages older Tasmanians to maintain an active lifestyle by providing access to public transport concessions Australia-wide and offering hundreds of discounts from businesses across the state.

It is worth taking your Seniors Card with you when travelling overseas as it is often accepted by businesses internationally as a matter of goodwill. All you need to do is ask, particularly in New Zealand, United States, Hong Kong, Singapore, Canada and the United Kingdom.

■ Current card holders

If you already have a Seniors Card, visit the Seniors Card website and follow the prompts under 'Current card holders' to activate your account.

■ Who is eligible?

You are eligible for a Seniors Card if you meet the following three criteria:

1. 60 years of age or over.
2. Reside in Tasmania.
3. Work less than 20 hours per week in paid employment.

■ How to apply

Before you apply you will need to have the following:

- An email address for validation when you create your online account.
- Your Tasmanian driver licence, or original documents with your Tasmanian residential address and date of birth.
- Your proof of identity documents if you are applying in person at a Service Tasmania service centre.

If you are unable to apply online or go to a Service Tasmania service centre, you can download the application form and post it with copies of your identification papers to: Seniors Card Program, GPO Box 123 Hobart 7001, or email it to seniors@service.tas.gov.au

Manage your details

Your Seniors Card does not expire, and you do not need to renew or replace it unless it is damaged, lost or stolen.

Changing your personal details and ordering a replacement card can be done online, in person at a Service Tasmania service centre, or by calling Service Tasmania on **1300 13 55 13**. If you are changing your name, please provide evidence.

Use our fast and easy online system. If you applied using the Seniors Card website, your online account was set up automatically. If you are an existing Seniors Card holder without an online account, you can activate your account at **seniors.tas.gov.au** and follow the prompts under 'Current card holders'.

Digital image card

A digital representation of your card is provided when you apply online, or you can request one by emailing seniors@service.tas.gov.au

The image can be stored on your mobile device for use while shopping with a Seniors Card Program business partner.

Hints on using your card

- The best way to get value from your Seniors Card is to use the card as often as you can, regardless of how small the purchase may be.
- Regularly review the online Seniors Card Directory for up-to-date offers and discounts.
- Look for the 'Seniors Card welcome here' sign (see below), which is displayed by many business partners.
- Ask for the normal quoted price before asking for the Seniors Card discount or presenting your card. Remember, discounts generally apply to the recommended retail price, not specials, sale prices or coupon offers.
- Shop around and compare prices before making a purchase, as the use of the Seniors Card may not necessarily give you the best deal.

- Always present your Seniors Card at the time of booking or before making a payment. Most businesses will not accept Seniors Cards once a transaction or service has been completed.
- When making a booking over the phone, have your Seniors Card handy to quote the number.
- If a registered business does not display the 'Seniors Card welcome here' sign, you might like to suggest that the Seniors Card Program will provide free-of-charge promotional signs that will encourage more seniors to shop there.
- Take your Seniors Card with you everywhere, even when travelling. All Australian states and territories have a Seniors Card Program and most participating businesses accept cards from interstate. Go to page 8 for more information.
- Even if a business is not in the Directory, we suggest you ask if a discount is available for Seniors Card holders. If you discover a business offering discounts to seniors that isn't listed in the directory, please ask them to register with the program so we can promote their offer and business to card holders.
- The Seniors Card is for personal use only and is not transferable to other people including family members, friends or colleagues.

Seniors Card Directory updates can be found at seniors.tas.gov.au and on our Facebook page.

- Make sure you have your Seniors Card number ready (do not add the dash or letter that appears after your number).
- Prepare a photocopy or scan of your Seniors Card (front and back).
- Application forms and supporting documents can either be uploaded and submitted online or mailed to NSW Transport (visit opal.com.au for more information or phone **13 67 25**).
- Submit your application at least three to four weeks before travelling to NSW.
