Dog Control Act

Date:

Monday, 16 September 2019 4:56:55 PM

I wish to express my complete and total support for increases to the range of offences and levels of penalty applicable to reprehensible dog owner conduct in areas of environmental sensitivity particularly as it affects wildlife.

I have witnessed numerous such acts of negligence near my home in Scamander and seen swans attacked by 'good dogs' let off the leash.

Thanks for considering the increases.

Nick Langoulant
