

Expenditure relating to telecommunications & mobile devices

The Department of Premier and Cabinet uses a variety of telecommunication services, including fixed line telephones and mobile devices to support its operational requirements.

The expenditure below includes fixed line, mobile and data services for the Department in the six months 1 January 2022 to 30 June 2022. The reporting period has been adjusted from previous routine disclosures to reflect the financial year from 1 July 2021.

Departmental Telecommunication Costs

1 January 2022 – 30 June 2022	\$
Fixed phone lines / calls costs	170,265
Mobile phone / data costs ¹	50,222
Total	220,487

NOTE:

1. The increase in telecommunication costs between this disclosure and the January 2022 disclosure (\$159,318) is due to delays in the timing of receipt, and payment, of invoices which resulted in a greater level of expenditure in the second half of the 2021-22 financial year.
